

## ENVIRONMENTAL POLICY

Mashhor General Contractor Sdn. Bhd. recognizes that a responsible strategy to environmental issues impacted by our business is essential for all of our stakeholders.

Our organization is committed to:

### **Standards, Statutory and Governing Laws**

Comply with the requirements of ISO 14001, governing laws, and client's requirements;

### **Continual Improvements**

Continual improvements in our environmental performance;

### **Environment**

Prevent pollution;  
Minimize the risk to the public from our operation;  
Protect the Natural Environment;

### **Energy**

Reduce the consumption of energy and to reduce our contribution to emissions of gases which are believed to contribute climate change;

### **Waste**

Minimize waste in our operations;  
Recycle wastes

### **Our Staff**

Train, supervise and monitor our staff to ensure they act with due consideration for the environment

### **Our Business Partners**

Promote environmental good practices to our business partners, encouraging a shared responsibility to protecting the environments.
